## Admissions arrangements

Adopted: September 2016

Review date: Annually

### Introduction

These arrangements are in line with government legislation and guidance (School Admissions Code 2014) and designed to ensure there is a fair admissions procedure for all applicants, and to help guide carers, parents and their children through the application process. These arrangements will apply to all day pupils.

### 1. Admissions procedure

#### 1. Applying for a place

Ferndearle School welcomes all applications. We have intake levels encompassing year 1 to year 11. Students may enter our school at any point throughout the academic year.

Parents are encouraged to visit the school with their child if they are planning to apply for a place. This can be organised by calling the Headteacher.

#### 2. Children with a statement of special educational needs (SEN) or education, health and care plan (EHCP)

The school will admit all children who have a SEN statement or EHCP.

Children who have special educational needs but who do not have a SEN statement or EHCP will be treated equally to all other applicants in the admissions process. This includes children who may need extra support or reasonable adjustments to be made. The school will do everything it can to accommodate these pupils.
